ABOUT US

→ History

Formed in 1848, the Wanganui Jockey Club is the oldest racing club in New Zealand - proudly still racing at our original venue. Situated just five blocks away from the city centre, our club connects the Whanganui community with our talented racing fraternity.

→ Reach

The Club has been allocated a packed racing schedule for 2025/26 with several weekend and feature meetings spread across the year. On race day, our reach spans across the country and internationally too. This presents a fantastic opportunity for you to promote your business and support local racing.
